# U. S. TO CREATE WAR LABOR BOARD

SECRETARY WILSON SELECTS SIX MEN AND WOMEN TO CARRY OUT THE PLANS.

#### BODY IS GIVEN FULL POWERS

Every Phase of Workers' Needs Will Be Deatt With by New Body-All Sides to Aid in Backing Up Fighters,

Washington - Six men and one wom an were named by Secretary Wilson to form the advisory council that will assist in the administration of a wat labor program intrusted to the depart ment of labor 1) the president

John Lind, former governor of Mil nessia, le chaltman of the council and representative of the public

Other members are Representative of employers - Waddill Calchines president of the Sloss-Sheffield Steel and Iron Co. Birmingham, Ala. and of the Platt Iron Works, Dayton, O. (chairman of the war committee of the Chamber of Commerce of the United States), and A. A. Landon, general manager of the American Radi ator Co (vice-president of the air craft production board and presidenof the Buffalo, N. Y., chamber of con-

Representatives of Displayer John B. Lennon of Himpie, former breasures of the American Pederation of Labor and John J. Casey of Pennsylvania. former member of congress.

Economist-Dr L C Marshall of the University of Chicago.

Representative of Women-Agnes Nestor of Chicago, president of the Woman's Trades Union league, mem ber of the defense council's woman's committee and former president of the Glove Workers union

Employers and workers alike wer called on by the employment service for aid in recruiting industrial work ers to back up the fighters. It was estimated that for every soldier in the firing line six civilians to supply him with food and munitions-two of them behind the lines in France and four at home-are required

#### TO DRAFT MEN AT 21 YEARS

Measure Advocated By War Department Would Provide 700,000 Eligibles Yearly,

Washington, Dr C - At the request of the war department Chairman Chamberlain of the senate military committee introduced a bill for the registration for military duty of all men who have become \$1 years old since June 5, 1917, when the draft law went into effect.

In determining upon the registrators of those men who have become II since the draft law was enacted, the war department has rejected upy planto raise the age limits of the draft to take in men more than 21.

Another hill would put the quota of the states on the Danie of available men in the first class, instead of or

## REPLENISH THE BABY CROP

Kaiser Anxibus for New Citizens, but Pays Little Heed to What Becomes of Mothers.

Washington, D. C - The kniser is deeply concerned about the short German baby crop, according to government official advices here. But, according to the same source, he does not care much about what happens to the mother after the babies get to growing up and their daddies are fighting at the front.

A number of soldiers' wives receiv ing allowances in Bonn since the beginning of the war have received notification that under the laws of Jun-1851, and December, 1915, they are called upon to report themselves for labor in loading and unloading rail way trucks under penalty of fines or imprisonment or both in the event of failing to report.

## 16 PERSONS DEAD IN WRECK

Texas Trains Crash and Four of Uncle Sam's Soldiers Are Among Dead.

Houston, Tex.-Bodies of 15 of the 16 persons killed in the wreck of a Houston & Texas Central Railroad passenger train near Hammond station, were brought here. The body of the other victim was taken to his home in a nearby town.

Seven of the more seriously injured also were brought here to a bospital. Four soldiers, all privates, were among the killed.

France Loans Money. Odessa .- France has loaned the Uk raine republic \$1,000,000, on the strength of which paper money of small values is being issued at Odessa, instead of small coins, which are

## Honor U. S. Red Cross,

Rome.-Italy will render official honor to the American Red Cross Special exercises will be held at the cap-Itol, with Minister Nitti and Senator Marconi as the principal speakers.

## EXHIBIT OF GUNS TAKEN BY THE FRENCH

Hundreds of German guns captured by the French in the battle of the Chemin des Dames are on exhibition for the French populace in front of a

Desultory fighting between the Bolsheviki and Cossacks has been in progress in and around the city for in the NATION'S CAPITAL.

## WILLARD QUITS BOARD JOB

President of B. & O. to Retire From Federal Post When Successor

Washington -- Daniel Willard, president of the Baltimore & Ohio Railroad, has resigned as chairman of the war industries board. His resignation will be accepted as soon as a successor is found.

In offering his resignation Willard gave as his reason that the Baltimore. & Ohio required his entire attention. It was stated that his resignation was not brought about by any apparent conflict between the war industries board and the reorganization of the war department.

Too Much Galety Near Camp. Ayer, Mass -- The New England soldier at Camp Devens dances too much, in the opinion of officers. At a conference of camp officials it was decided to take steps to cut down the social functions.

War Contracts for St. Louis. Washington -- A contract for 1,359 000 rifle breech stocks has been awarded by the war department to a St. Louis firm, the name of which was withheld as required by the wa 'epartment.

DRINKING AMONG SCHOOLBOYS.

Some time ago a schoolmaster of Cologne, estonished at the poor work fone on Mondays by the 54 boys in his class, questioned them as to the manner in which Sumlay had been spent. He learned that 10 had spent the evening before in some cafe of beer garden, that 20 had taken wine, 24 beer and 19 brandy; 17 had had both wine and beer, 14 lead had wine, beer and brands, ten had been very my and eight had been nessented.

Descript Buist of Victima requested a: pertain number of school directors to divide their first pupils into three ratecast of the Minerscipps river was made rottest. Good, indequate and Inadeto test the Rull force of the coal fame. Then, with their aid, he divided these fare five charges: (1) These to whom about drinks were unknown; 21 those who drank econstanally; (3) those who drank been once a day; (4) home whose strains, it tentre dully: (5) hose who drain it thrine. The results Divinica fullimen
